## Dear Reader

Welcome to IFA Countryside, a division of the Irish Farmers' Association; Ireland's largest farming representative organisation which has protected and defended the interests of Irish farmers for more than 65 years.

IFA Countryside was established to defend the interests of people who actively enjoy the countryside through the protection of the environment and to influence positive change in policies that impact rural Ireland.

The Irish countryside has become a sanctuary for many of us in these unprecedented times. Spending time outside provides physical and mental benefits for us all. It is important that we take all necessary precautions and adhere to guidelines so that we can enjoy our fieldsports safely and securely with an IFA Countryside membership.

IFA Countryside provides strong representation for its members who enjoy an exclusive range of member benefits. IFA Countryside membership insurance is underwritten by FBD Insurance; the largest Irish owned insurance company. The Personal Legal Liability cover provided protects members not only when they are involved in field sports activities but also in a personal capacity. Our members are covered worldwide.

In addition, members can avail of a range of benefits including telecom, mobile, energy and valuable support services that provide real cost savings with some of Ireland's top brands.

IFA Countryside is also committed to tackling challenges in rural Ireland. It is now more important than ever that rural communities come together. We promise to provide a strong voice on rural affairs and campaigns.

If you enjoy participating in outdoor pursuits, join IFA Countryside today.

Yours sincerely

**Brian Rushe**
